BASIC INFORMATION ABOUT THE JOURNAL

The academic journal '*Chelovek i obrazovanie*' (Man and Education) is founded and published by the Federal State Budgetary Research Institution "Institute of Education Management of the Russian Academy of Education".

The journal publishes articles on a wide range of theoretical and applied problems in the fields of adult education and continuing education, including teacher training, enlightenment activities, general pedagogy, theory and methodology of education, management of education systems at all levels, organization of methodical work, professional development of teachers and other specialists, issues of school education, and vocational education at its all stages.

The main structural and thematic areas of the journal are: renovation of today's teacher education; specialists' professional development; socialization and personal development in continuing education; educational technologies and innovative educational practices; achievements and results of dissertation research.

As the publishing organ of Basic Organization of Commonwealth of Independent States on adult education and enlightenment activities the journal traditionally pays attention to highlighting the experience of educational systems of CIS countries and the problems of integration of their educational spaces. The journal analyzes the productive trends existing in the world of adult education, covers the issues of international cooperation in this field in Europe and in the world, serves as a tool to consolidate the efforts to promote international cooperation in education.

The journal accepts original materials containing results of scientific research. Royalty is not paid to the authors. Co-authored publications are admitted, the number of co-authors should not exceed three.

The journal is registered in the prescribed order as the mass media means (certificate for registration ПИ № ФС-77-49971 from May 29, 2012). The information about the journal is regularly published in the catalogue "Newspapers and Journals", published by Rospechat Agency, subscription index 20015. The information about the articles published in the journal and their texts are stored in the database of the Russian Science Citation Index.

The journal has four issues a year.

The journal is included in ERIH PLUS (The European Reference Index for the Humanities and the Social Sciences).

The journal *Chelovek i obrazovanie* is included in the 'List of Russian reviewed scientific journals, where the basic scientific results of dissertations for the degree of doctor and candidate of sciences should be published', version September, 20, 2017.
